

As an employer do have  
the culture in place for  
your people to do what is  
right?

Arrange for an In House  
Workshop on  
**Organizational Development  
Creating & Managing Cultural  
Change**

"I used to believe culture was  
soft and little bearing on the  
bottom line. What I believe  
today is that our culture has  
everything to do with our  
bottom line, now and into the  
future."

- Vern Dosch-

## Workshop Content:

1. What is organizational development
2. Defining company culture
3. The role of personal and business values in culture
4. Cultural change processes
5. What it takes to have it all work
6. Review of content

Time Frame for  
Delivery:

3 Hours

Group Size:

8 to 24 People
